# GENERAL INFORMATION

#### GENERAL INFORMATION

#### **PURPOSE**

Mitchell College is an independent community college which fosters and encourages Protestant Christian education by offering two years of education beyond the high school level and instruction for qualified special students. Its purpose is to serve persons, primarily of this area, for the attainment of personal edification and cultural improvement as they prepare for a degree at a senior institution, complete a terminal course, or satisfy individual needs.

#### HISTORY

Mitchell College, one of the oldest colleges in North Carolina, began operation as a woman's college in 1856. Concord Presbytery had authorized its establishment as early as 1853; and, with the exception of one period, it remained under the control of Concord Presbytery until January 1, 1959, when it became an independent community college.

The building program of the newly chartered college was delayed by a storm which destroyed the partly constructed building; and because of this the college did not begin operation until September, 1856, when the present building was completed. At the end of the War Between the States, Mr. R. F. Simonton purchased the property and thus began a period of private ownership for the college. The name was then changed from Concord Femal Seminary to Simonton Female College. During the late 1870's considerable progress for the college took place under the leadership of Mrs. Eliza Mitchell Grant, president, and her sister, Miss Margaret Eliot Mitchell, as her assistant. They were the daughters of the famous Dr. Elisha Mitchell, scholar and scientist for whom Mount Mitchell is named. In 1917 the name of the college changed to Mitchell in honor of these women.

In 1896 the college, then known as Statesville Female College, was purchased by Dr. R. B. Shearer, a Presbyterian minister and president of Davidson College, who in 1900 returned the college by deed to the control of Concord Presbytery. In that year Dr. John A. Scott became president and again the college experienced considerable growth. Most notable was the addition in 1908 of an auditorium known as Shearer Music Hall. This addition to the physical structure of Mitchell was made possible through the efforts of Mr. W. F. Hall and other friends of the college. Also during the presidency of Dr. Scott the college became recognized as a teachers college and granted the A.B. and B.S. degrees. However, by the early 1920's it had became a standard junior college. For a long time the high school department known as the Academy was popular, but this department was discontinued in 1943.

Mitchell College became co-educational in 1932 during the administration of Mrs. W. B. Ramsay who headed the college for fourteen years until 1943. During her administration the curriculum was expanded and many extracurricular activities were formed. A gymnasium was also built during this period.

Mrs. Ramsay resigned in 1943 and was followed by Reverend R. S. Arrowood who served as president for one year. He was succeeded by Miss Frances Stribling who served for three years as president. Following her resignation in 1947, Mr. John Montgomery became president.

The 1950's proved to be eventful for Mitchell. In 1955 Mitchell was admitted into membership of the Southern Association of Colleges and Secondary Schools. In 1957 Mitchell acquired the Wallace house and converted

it into a men's dormitory. The future of Mitchell was altered when a community drive to raise an endowment of \$350,000 was successful, and on January 1, 1959, the college became an independent community college. The Concord Presbytery relinquished its control of the physical property to the Mitchell College Foundation which in turn leased the buildings to Mitchell College, Incorporated. The control of the college is now in the hands of a self-perpetuating, rotating board of trustees, who in addition to representing outstanding business leadership in the community also represent Christian leadership from the community churches.

In 1963, the college campus was further enhanced by the construction of a new Student Union building. This structure which reflects the style of the Main Building was the first building to be built on the Campus since the Gymnasium.

Mitchell College has been consistently acquiring property in the past few years. Space for expansion is available. Construction of a three story library began in early 1966 with completion planned by late 1966. The design of the library also reflects the style of the Main Building. Among other things, the Library Building was designed to contain our collection of books, the Rotary Memorial Auditorium, and additional classroom space.

While the community of Mitchell College is considered to include all of Iredell County, the college is dedicated to the rendering of a high standard of scholarship and Christian leadership to all students from wherever they may come.

#### LOCATION AND CLIMATE

Located in Statesville, a city of about 25,000 population, Mitchell College is easily accessible from all parts of North Carolina by both train and bus service. The campus is at the west end of Broad Street, one of the principal streets of the city, and conveniently near the churches, shopping district, post office, and public library. Statesville is 110 miles east of Asheville, 43 miles north of Charlotte, 50 miles west of Winston-Salem, and 27 miles northwest of Salisbury. Statesville is in the healthful Piedmont section at the foothills of the Blue Ridge Mountains and has a delightfully mild climate throughout the year. The altitude is 960 feet above sea level.

#### BUILDINGS

The MAIN BUILDING, constructed in 1856, is a stuccoed brick structure of three stories, ornamented by a lofty portico with six massive columns. The first floor contains the science department, classrooms, and the day student parlor. On the second floor are the administrative offices, additional classrooms, and the guest parlor. The women's dormitory rooms and lounge are on the third floor. Student lounges and dormitory rooms are comfortably furnished.

SHEARER HALL was added to the Main Building in 1908. The first floor contains music studios, faculty offices, and the auditorium which has a seating capacity of five hundred and is equipped with a pipe organ and a concert grand piano. The second floor contains faculty offices.

The STUDENT UNION is the school social center and contains a modern cafeteria for use of faculty and students. This building is a recent addition to the enlarging campus and was designed to be one of the show-places of Statesville. Its architecture blends harmoniously with that of the main building and reflects the ante bellum decor of the campus. In addi-

tion to quiet recreational facilities, the Student Union contains meeting rooms and offices for the college yearbook, newspaper, student government and Director of Student Affairs.

The Mitchell College LIBRARY provides and organizes the resources needed to meet the curricular demands and to bring intellectual stimulation to both faculty and students and aims to serve as the focal point of the cultural life on the campus. The collection consists of over 14,000 volumes including over 1,000 bound periodicals and 50 reels of microfilm. General and special reference volumes and over 130 current magazines are on the main floor. The general collection of books is shelved in open stacks on the second floor. On the basement level, a dial, remote control tape listening center is available to all students. The library provides two typing rooms for student use and an informal reading room. The building also has a lecture rooms with a seating capacity of 152 and three classrooms. Orientation in the use of the library is given to all freshmen and transfer students. The college facilities are supplemented by those of the Statesville Public Library, the Iredell County Library, and interlibrary loan privileges with the university libraries.

The GYMNASIUM, located on the north campus, is a wooden structure with a marked basketball floor. Many social affairs and intramural sports activities are held here.

The MEN'S DORM, the ANNEX, FRAZIER HOUSE, and WALLACE HOUSE provide housing facilities for 78 men and 38 women. All are furnished with comfortable rooms, lounges, laundry facilities, and hostess apartments.

The PRESIDENT'S HOME is located on the north side of the circle next to the Main Building and across from the Student Union.

# VETERANS AND CHILDREN OF DECEASED VETERANS

A veteran who wishes to receive G. I. benefits while attending Mitchell College should obtain a CERTIFICATE OF ELIGIBILITY from the Veter-

ans Administration and present it to the Registrar at registration. Children of deceased veterans should consult with their local Veterans Administration official prior to beginning college and obtain a Certificate of Eligibility to be presented to the Registrar at registration. Fourteen semester hours are considered the minimum load for a full-time student by the Veterans Administration.

#### EVENING COLLEGE PROGRAM

Mitchell College, through evening classes, provides educational services for people who are unable to attend regular classes or who, having attended college, desire to continue their education. Classes are regularly offered each semester whenever there is sufficient demand.

#### SCHOLARSHIPS, LOANS AND STUDENT AID SCHOLARSHIPS

A number of scholarships are offered by local organizations and individuals to properly qualified students. They are awarded on the basis of (1) the applicant's personal and professional worth and (2) the applicant's need.

The ALUMNI ASSOCIATION SCHOLARSHIP was established to offer financial assistance to some worthy student who would, in turn, provide secretarial services in the establishment of an alumni office at the college. This fund was established in 1960 and is valued at \$100.00

The BUNCH SCHOLARSHIP has been established and endowed by the family of Lizzie May Pardue Bunch. Because of her interest in educating young people for a business profession, this scholarship is awarded to a student in the Business Education Department on the basis of scholarship and need.

The MURDOCK SCHOLARSHIPS are endowed by Mr. and Mrs. Harvey W. Murdock. In awarding these scholarships, preference will be given to applicants from Iredell County.

The PRINCIPAL'S SCHOLARSHIP is awarded by the principal of a North Carolina High School to the student who is in the upper 15 per cent of the graduating class, who has a good citizenship record, and who gives evidence of leadership potential. The student must pass all work satisfactorily to be eligible for the scholarship the second year. This scholarship, valued at \$500 for dormitory students, and \$200 for day students, is allocated over the two-year period.

The PURPLE HEART SCHOLARSHIP was established in 1959 by Chapter No. 285 of the Military Order of the Purple Heart of the United States of America, Inc. in memory of Pfc. Lee Roy Smith, S/Sgt. Hugh Smith Denney, and Sgt. John Troy Troutman, three Iredell County deceased veterans, killed by enemy action in the line of duty in both World Wars. This scholarship to be awarded to Iredell County residents, based on scholastic ability and need with priority given to direct descendants of Purple Heart veterans and other veterans.

The RAYNAL SCHOLARSHIP was established in 1945 in memory of the late Dr. Charles E. Raynal by friends of the Raynal family through the efforts of Mrs. Mary Locke Simons of Statesville. This scholarship is valued at \$75.

The E. B. STIMSON MEMORIAL SCHOLARSHIP was established in loving memory of "Cap" Stimson who, for many years, served as Head of the Music Department at Mitchell College. It is endowed by the Mac-Dowell Music Club and friends of the Stimson family and is awarded each year to a music student. A candidate for a music scholarship is required to audition before a selected panel of judges.

The VALEDICTORIAN SCHOLARSHIPS, awarded to valedictorians of accredited high schools in the state of North Carolina, are valued at \$300 each to be allocated over the two-year period. Upon the satisfactory completion of a semester's work with a B average, the student automatically receives the scholarship for the following semester.

The STATESVILLE RECORD AND LANDMARK SCHOLARSHIP was established in 1962 by the employees of the Statesville Record & Landmark. This scholarship was established to give assistance to students who are employees or children of said employees. The amount of this scholarship is to be determined by the earnings of preceding years from the principal sum. When the scholarship is not used, interest is to be added to the principal. A scholarship must be given at least every five years. If no eligible child applies for said scholarship, then the scholarship may be awarded to a resident of Iredell County.

The IRMA HOLMES HALL LIBRARY FELLOWSHIP: This fellowship, endowed by friends of Mrs. Irma Holmes Hall and her husband, Mr. W. Frank Hall, was established to encourage students interested in library science. The fellowship is to be awarded to students with sufficient academic standing and interest in library science to assist in the various departments of the library in order to become familiar with the procedures and work of the library. The amount of the fellowship to be determined by the earnings from the endowment as now formed plus any additions which may be added from time to time.

The JOHNNY WAYNE McLAIN SCHOLARSHIP was established in 1966 in memory of Johnny Wayne McLain, by Friends of his family and members of the Concord Presbyterian Church, Loray Community, Statesville, North Carolina. He was the first soldier from this church killed in Vietnam. The scholarship to be awarded to students accepted for admission to Mitchell College and recommended by the Concord Presbyterian Church. The amount of this scholarship to be determined by the earnings from the principal sum.

Additional requirements for office-holding are an over-all 2.3 quality-point average (or its equivalent in the case of transfer and new students) when elected and the maintaining of a 2.0 quality-point average each semester during the term of office. All students are eligible for participation in such activities as dramatics, intramural activities, choir or Mitchellaires. While student activities are recognized as an important part of college life and the student's education, it is important that these be kept in their proper perspective. The Facutly reserves the right to curtail participation of any one individual student any time it becomes evident that such participation is detrimental to academic achievement. Students are encouraged o participate in student activities only to the extent that they enhance and enrich the student's total educational development.

#### RESIDENCE HALL LIVING

In the College Residence Halls students have the opportunity to associate with persons of diverse backgrounds, interests, ideas, experiences, and

objectives. The group-living experience thus affords the student the chance to appreciate other people for their individual abilities, personality, and qualities. In group-living, the individual resident learns to work, cooperate, and live harmoniously and effectively with others.

Student programs, social hours, house meetings, house government, and intramural athletics in the halls are part of residence living and provide the opportunity for development of leadership, talent, initiative, persuasive skills and organizational abilities.

Students in the residence halls are expected to regulate their lives according to the accepted standards of good taste, to respect the property of the college and of others, and to assume individual responsibility as an important and necessary adjunct of group living.

Certain regulations are necessary to protect the rights of individuals. The specific rules and regulations for the residence halls have been developed by the administration and the residents themselves, particularly the house councils. Each resident is responsible for knowing and observing these regulations.

#### RESIDENCE HALLS

Mitchell College maintains residence halls for both men and women. All freshmen are required to live on campus, if space permits. Men students may be assigned to approved off-campus housing. Women are not permitted to live off-campus. Each student living in a Mitchell College residence hall is required to carry an academic load of not less than 12 credit hours per semester.

The College furnishes each dormitory room with a dresser or chest-of-drawers, study desks, single beds, mattress covers, and chairs. Students are requested to furnish their own blankets, bedspreads, study lamps, waste baskets, rugs, pillows and curtains.

The College contracts with a commercial linen rental service to furnish each student with weekly linen service.

Sophomore dormitory or off-campus housing students may keep automobiles while in residence provided this does not prove detrimental to their academic achievement. As a general rule, there is a correlation between possession of an automobile in college and grade difficulties. - 3. Those students who do not have a "C" average in the last four years of high school or who rank in the lower quarter of their graduating class must be interviewed by the Admissions Committee before final acceptance. If approved by the Admissions Committee for admission, they will be admitted under the conditions as specified by the Admissions Committee.
- 4. Those students who have completed their junior year in high school may apply for conditional admission to Mitchell College. They will be notified of their acceptance when all application forms and transcripts of their first three years of high school work are received and acted upon by the Admissions Committee. In addition, they must be able to read and write the English language fluently as evidenced by a letter from the Educational Advisor in the United States Embassy of the student's country or by an interview with the Admissions Committee. #### ACADEMIC REQUIREMENTS

#### **FULL-TIME STUDENTS**

A probationary student failing to fulfill the conditions of his probation during the semester that he is on probation is subject to academic suspension. A student so suspended can be readmitted on probation at the discretion of the Admissions Committee.

The privilege of appeal is provided the suspended student. The student is required to appear before the Admissions Committee to explain his appeal to be readmitted.

#### REQUIREMENTS FOR GRADUATION

Mitchell College offers three programs: (1) Associate Degrees in Arts, Science, or Fine Arts, (2) the General College Diploma, and (3) Specialized Study Programs leading to certificates in areas of specialization. The curriculum for the Associate Degree is designed for the student planning to transfer to a senior college or for the student desiring the general education contained in the first two years of college. The General College Diploma is awarded for successful completion of two years at Mitchell College. The student seeking the General College Diploma may or may not follow a specially designed curriculum. The Specialized Study Programs consist of strictly defined curricula which equip the graduate for employment.

#### GENERAL REQUIREMENTS

General requirements for graduation from Mitchell College must be met by all students, without regard to degree, diploma or certificate to be granted. Final responsibility for meeting these requirements rests with the

- At least fifteen semester hours of credit must be earned at Mitchell 1. College.
- The last full semester of work prior to graduation must be in residence at Mitchell College.
- Students must earn a minimum of quality points equal to or exceeding twice the number of semester hours presented for graduation.
- Four semesters of physical education activity are required of all students for graduation except:

a. Married students exempted by the Dean.

- b. Physically handicapped students with doctor's certificate.
- Students must make formal application for graduation on the proper form furnished by the Recorder. (See calendar)
- 6. Students must be recommended by the faculty for graduation.

#### ATTENDANCE POLICY

No unexcused absences are allowed without penalty. Students will be allowed to make up work if an absence is excused. Absences for the following reasons may be excused:

1. Personal illness.

a. Certification of treatment by a physician.

b. Hospital confinement.

- c. Certification by person responsible for place of residence or parent.
- 2. Death in the immediate family.
- 3. Official absence from the campus.
- 4. An emergency.

All full-time students are required to attend Chapel, Assembly, and Fine Arts Programs. A maximum of three absences in the combined required programs is permitted.

#### RESIDENCE CREDIT

Mitchell College offers no correspondence or extension work. All credit given is residence credit which signifies that the student has been in attendance in a class a minimum of 75% of the time.

#### DROPPING AND ADDING CLASSES

Classes may be dropped and added within the time limitations as set forth in the college calendar. Students must obtain a form from the Office of the Dean of Faculty and secure the permission of the instructor, the Dean, the Registrar, and the Bursar before the class may be dropped or added. A charge of \$3.00 will be made for dropping or adding classes, unless the change is considered to be administrative. Withdrawal from a class without permission will automatically mean a grade of F. When permission is obtained, a grade of WP or WF will be recorded depending on the status of the student in class at the time of withdrawal.

#### WITHDRAWALS FROM COLLEGE

Students desiring to withdraw from college must obtain the necessary form from the Office of the Dean of Faculty and obtain the signature of the Dean of Faculty, the Director of Student Affairs, the Librarian, the Dormi-

tory Supervisor (if applicable), the Recorder and the Bursar. This certification is required for an honorable dismissal (permission to enter another college) and for refunds. All refunds are based on the date of official withdrawal. Withdrawal from college without permission will mean a grade of F in all classes. When permission is obtained to withdraw from college, a grade of WP or WF will be recorded depending on the status of the student in class at the time of withdrawal.

#### GRADING SYSTEM

Grades are mailed to the parent of the student and to the student at midterm and at the end of the semester. These grades are included on the student's permanent record.

The grading system is as follows:

_								
A	95-100	Excellent	4	quality	points	per	semester	hour
В	86- 94	Good					semester	
C	76- 85	Fair	2	quality	points	per	semester	hour
D	70- 75	Passing	1	quality	point 1	per s	semester l	our
F	Below 70	Failure			* *			

WP Withdrawn Passing

WF Withdrawn Failing
WNC Withdrawn No Credit

Incomplete

NC No credit has been allowed for the course

First Semester grades recorded as I must be removed prior to March 1. Second Semester grades recorded as I must be removed prior to October 1. Recorder must be notified as to cause for Incomplete. All work not complete by these dates will be recorded as an F.

Grades of A, B, and C are satisfactory. A grade of F is unsatisfactory. A grade of D is satisfactory for graduation purposes; however, most colleges and universities will not accept a D as transfer credit.

The student's grade or quality-point average is the number of semester hours that a student attempts divided into the number of quality points earned. An example of computing a grade-point average for a semester's work is as follows:

Subject	Grade	Hours Attempted	Hours Passed	Quality Points
English 101	В	3	3	9
Biology 101	В	4	4	12
Algebra 101	F	3	0	0
History 101	С	3	3	6
Psychology 101	D	3	3	3
Physical Education	A	1	1	4
Total		17	14	34

Grade-point average is  $34 \div 17 = 2.00$ 

#### REPEATING A COURSE

A student who repeats a course is awarded the highest grade for that course; however, both grades are recorded on the student's permanent record. Although credit is awarded only once for a repeated course, the semester hours attempted are included in the student's overall average each time that the student attemps a course. A course may be repeated only if the final grade is D or F. Permission must be obtained from the Dean of Faculty to repeat a course.

#### **TRANSCRIPTS**

A transcript is a copy of the permanent record of the work which a student does while at Mitchell College. Transcripts are sent only upon written request by the student involved. Request forms are available in the Recorder's Office for sending transcripts. The Recorder's office furnishes without charge the first transcript of a student's academic record. For each additional transcript there is a charge of one dollar.

For guidance and follow-up purposes, a copy of the student's final semester report is usually sent to his high school upon request by the school concerned.

#### HONORS

The Dean's List is posted at the end of each semester. All regular students who have made an academic average of 3.30 or higher and are carrying 12 or more semester hours will be placed on the Dean's List.

All regular students carrying 12 hours or more who maintain a 3.30 average or higher for any one year will be eligible for Class Honors at graduation.

All regular students carrying 12 hours or more each semester and maintaining a 3.30 average or higher for all work attempted while at Mitchell College will be eligible for College Honors at graduation.

#### STUDENT LOAD

The minimum load for a full-time student is 12 semester hours per semester. Veterans, in order to qualify for a full-time GI status, must register for 14 or more semester hours.

The normal load for a Freshman student is 16 or 17 semester hours. With special approval and written permission from the faculty advisor and the Dean of the Faculty, a student may register for more than 18 semester hours.

#### FINAL EXAMINATIONS AND TESTS

The instructor may give tests and quizzes, oral or written, at his discretion. Regularly scheduled announced examinations will be given at the end of each semester or session. Evidence of cheating on a final examination will result in an F in the course and immediate dismissal of the student from Mitchell College. Re-examinations may be given at the discretion of the instructor when the final examination shall have been the cause for failure in the course. Re-examinations must be taken within thirty days of the next semester following the final examination.

#### STUDENT CONDUCT

College students are considered to have reached the age of responsibility and discretion. Their conduct, both in and out of college, is expected to be dignified and honorable. Students must realize from the first that the responsibility for their success in college work rests largely upon themselves. Policies and regulations of the college are formulated by the Board of Trustees, the Faculty of the College, and the Student Government.

#### RESPONSIBILITY FOR REGULATIONS

Each student by the act of registering, obligates himself to obey all rules and regulations formulated by the college. Students are held responsible for the observance of all regulations and policies contained in this catalog, and are encouraged to thoroughly familiarize themselves with its entire contents.

#### HONOR CODE

The student body at Mitchell College maintains an honor system which, since its beginning, has proved its worth and is now part of the tradition of the Mitchell College students. The honor system is administered by a committee of three elected students and a faculty advisor with the authority to recommend to the administration punishment to offenders up to and including expulsion from school. A violation of the code consists of lying, cheating, or stealing. No student is properly registered at Mitchell until he has signed a full statement endorsing the honor code. This means that the honor code is a vital part of the life of Mitchell College students.

#### POLICY CHANGES

Any statement in this catalog is subject to change by the administrative council of the college or the Faculty at any time that such a need becomes evident. Any question concerning the interpretation of any regulation in this catalog will be referred to the Dean or the President, and their decision will be final.

#### STUDENT PERSONNEL SERVICES

#### GUIDANCE AND COUNSELING

Every effort is made to provide adequate guidance and counseling services to students.

Each student is assigned a faculty member who serves that student as a counselor or advisor during his enrollment in the college. The faculty advisor assists the student with selecting a particular program of studies which will help him attain maximum growth according to his particular academic needs. The college provides a Director of Students to work with individual

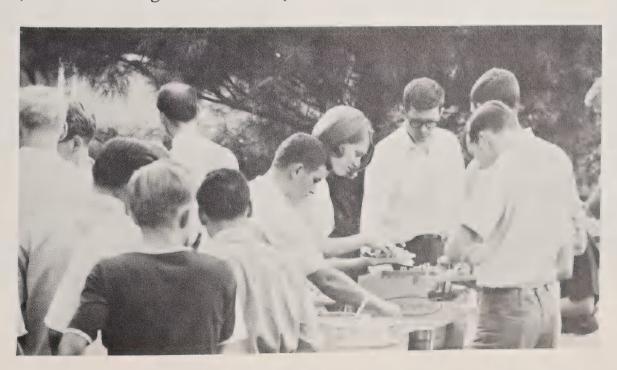

students concerned with problems of a personal or vocational, the Dean of the Faculty is available to counsel students on problems of an academic nature.

#### TESTING

All entering freshmen and transfer students are required to take the battery of placement tests announced by the Dean during the orientation program at the beginning of the school year. Students are encouraged to take these tests, where possible, during the summer preceding their enrollment. Students who take the placement tests at this time will be permitted to register early in the fall.

#### ORIENTATION

Two days are set aside for the orientation program and each entering freshman or transfer student must attend the orientation session scheduled. Many factors confronting entering and transfer students are explained by the administrative staff and faculty of the college in order to make the adjustment to college as smooth as possible.

# PROGRAMS OF STUDY

#### PROGRAMS OF STUDY

Mitchell College offers three programs: (1) Associate Degrees in Arts, Science, or Fine Arts, (2) the General College Diploma, and (3) specialized study programs leading to Certificates in areas of specialization. The curriculum for the Associate Degree is designed for the student planning to transfer to a senior college or for the student desiring the general education contained in the first two years of college. The General College Diploma is awarded for successful completion of two years at Mitchell College. The student seeking the General College Diploma may or may not follow a specially designed curriculum. The specialized study programs consist of strictly defined curricula which equip the graduate for employment.

#### CORE CURRICULUM

Due to the highly interrelated and specialized industrial society in which we now live there has been a vast increase in organized knowledge and occupational opportunities available to entering college students. They are confronted with numerous and varied programs of study and course alternatives. In an effort to help students obtain the basic knowledge and background of education necessary for everyone and at the same time help them choose a program of professional preparation which fits their needs and individual interests, Mitchell College has developed the Core Curriculum.

Some of the objectives of this curriculum are:

- 1. To provide a common core of experiences for the student.
- 2. To provide some insight into the basic areas of knowledge.
- 3. To foster an understanding of our cultural heritage.
- 4. To develop citizenship and leadership.
- 5. To develop Christian moral and spiritual values.
- 6. To broaden skills in communications.
- 7. To encourage critical thinking.
- 8. To stimulate creativity.
- 9. To enhance the comprehension of the total environment.
- 10. To enhance physical development.

#### GENERAL COLLEGE DIPLOMA

The General College Diploma is awarded for successful completion of sixty semester hours of academic work excluding physical education. The lack of specific course requirements for the General College Diploma makes it possible for a student to pursue any course of study which may lead to his particular goals. Thus, a student might pursue a program designed to equip him for definite vocational goals. A student might pursue a program giving a general college background but not containing the Core Curriculum. A student might wish to earn a specialized certificate but have a broader education. The flexibility of this program is enhanced also by the college-level (credit) nature of the courses. Should the student decide to continue toward a four-year degree, the college-level (credit) courses could be transferred to a senior college or university and used in a degree plan if the degree plan calls for the courses taken. If a student plans to seek a four year degree, it is advised that an associate degree program be followed.

Students who complete 60 semester hours of academic work (exclusive of the required 4 semester hours of P. E. activity) including English 101 and 102 but who do not complete the Core Curriculum will be eligible for the General College Diploma.

#### CERTIFICATE PROGRAMS

These programs are designed for the students who desire a one-year college course in a specialized area. They contain required courses and lead to the awarding of a one-year certificate in the area of specialization. Programs should be planned with faculty advisors from the Business Education Division and are offered in the following areas:

# SUGGESTED COURSES OF STUDY IN SPECIFIC AREAS LEADING TO DEGREES OR THE DIPLOMAS

#### STUDY AREAS LEADING TO DEGREES

Professional schools, in addition to general education, vary the nature and number of pre-professional requirements which should be taken during the freshman and sophomore years. Students who have determined which profession or occupation they plan to enter should study the curriculum

guides on the following pages.

Because of changing professional requirements at various senior institutions, students are required to consult with their academic advisor before registering. It is the student's responsibility to become familiar with the requirements of the senior institution to which he may transfer. It is suggested that the student acquire a catalog for reference from the institution to which he expects to transfer.

Curriculum guides are oulined to help the student in planning his program. Two years of a foreign language are strongly recommended for all students and six semester hours of religion for those students planning to transfer to a church-related college.

Curriculum guides are provided for assistance in planning programs in the following areas:

Liberal Arts

Business Administration

Pre-Law

Pre-Medical or Dental

Ministerial

Teaching

Health, Physical Education and

Recreation

Curricula in other areas can be developed which meet the requirements for an Associate of Arts or Science Degree and can be transferred to apply towards a four year degree. Such programs can be developed with the assistance of the Advisor and approval of the Dean.

#### BUSINESS ADMINISTRATION LEADING TO AN ASSOCIATE OF SCIENCE DEGREE

This curriculum is designed for those students who plan to major in Business Administration at a senior institution. Since there are variations in requirements at different institutions, students should become familiar with the particular requirements at the school they plan to attend. Students should consult the Head of the Business Education Department in planning programs.

#### PRE-LAW LEADING TO AN ASSOCIATE OF ARTS DEGREE

Since many colleges of law now limit their admissions to students who have received a baccalaureate degree from an accredited college or university, the Pre-Law student's courses should be selected to that end. The courses should satisfy requirements of general education, provide him with special knowledge which will contribute to his professional proficiency, and lead to a bachelor's degree.
